Congratulations!

Hi Alexandra P.

I hope you are well!

You will be pleased to know that we have now completed our judging stage in the **2020 Fitness and Nutrition Awards** hosted by **GHP News!**

I am thrilled to inform you that theta healing academy is among this years' victors and have been awarded:

Theta Healing Coach of the Year (UK): Alexandra P. Brown

How Was I Awarded?

Our in-house research team created a case file which included various information such as brand history, services, products, articles, social media, presence within the industry, testimonials, etc. You were also encouraged to provide supporting materials via our supporting evidence questionnaire, but as stated, this wasn't mandatory.

Once finalised, the file was then passed on to our judging panel who discussed and deliberated and ultimately decide who they believe deserves to win a title within the Fitness and Nutrition Awards this year.

What Happens Next?

At this stage, we are just about to commence work on our annual celebratory magazine, and I do hope you will consider being part of that!
